42

Focus on

Eye Spy a Spider

Maciej Bartos

Spiders are frequently a source of panic, but arachnophobia can be treated: one just has to get to know spiders better

Research in Progress

Down and Out

Elżbieta Tarkowska

Humiliation is one of the most important factors contributing to the situation of poor individuals

Briefly Speaking

A White Piano

Andrzej Szczeklik

An internist is like a symphony conductor; he doesn't play but knows what to expect from every instrument – says a prominent Cracovian humanist-doctor

Editorial 3
